The wall is covered with a grid of posters. Each poster has a title and text. The titles are mostly in Japanese and include:

- 6. 成果と効果 (Results and Effectiveness)
- 漢字教育受講生のアンケートから (From the Survey of Chinese Language Education Students)
- 目標: 地域と連携した学習 (Goal: Learning in cooperation with the community)
- 目標: 自律学習へと繋げる (Goal: Connecting to self-directed learning)

Some posters also feature small images or charts. The posters are arranged in a grid pattern, with some overlapping. The text on the posters is in Japanese and appears to be a report or summary of a program's results.
